MORE VIEWS

Size: 100.32 mm x 100.32 mm x 17.1 mm
 Processing Power: 4.5 GH/s (+/- 10% running variance)
 Power Consumption: Approximately 4.5 Watts
 Included accessory: Two (2) USB Cables

Plug the USB cable into a host computer and run the supplied software. Additional Bitforce SC products can be added to the chain via a USB hub for linear performance multiplication with no overhead cost. Each additional unit is auto-configured and folded into the workforce without any user intervention required.

Warranty: This unit's system board has a lifetime warranty from manufacture defect or component failure.

Order up to 4 Jalapenos and pay the same standard, flat shipping price.

Pre-order Terms: Bitforce SC (ASIC) products are in final stage development with initial shipping scheduled for the last half of February 2013. Products are shipped according to placement in the order queue.
